

The Library Board met in regular session February 2, 1932 at the home of the President, Dr. Hilton, with the following members present;

Miss Gilmer, Mrs. Ball, Mrs. Sellinger, Mrs. Wise,  
J. M. Hirons, J. G. Hilton, and Beverley Bunce.

No report from the Committee on Rules and Regulations.

No report from the Committee on Complaints.

The Finance Committee reports a balance on hand at this date of \$825.24.

Owing to the small amount of money on hand with which to carry on the work for the ensuing year as fully described at the meeting, the Executive committee decided there was no possible way of carrying the work forward without making some radical cuts in the necessary expenses.

At this time it becomes necessary to budget the money on hand and divide it into salaries that we can extend throughout the year. It was the opinion of the Board that beginning Feb. 1 the following schedule of salaries would be all that could be paid;

\$60.00 per month for the Librarian.

\$20.00 per month for the Custodian of the building.

And that it be necessary to discontinue the services of the Assistant Librarian after February 29.
